

WATT-NET BASIC™

Maximum Copies: – WECO License Pack (Supports all WECO test equipment)

Watthour Engineering Company, Inc. Software License Agreement

This license agreement applies to Watthour Engineering Company, Inc. (WECO) WATT-Net Basic™ software ("Software"):

Opening the package containing the Software, or where applicable, by downloading or installing the Software, indicates your understanding and agreement to be bound by all of the terms and conditions of this Agreement which will govern your use of the Software. If you do not accept these terms WECO is unwilling to license the Software to you and you should promptly discontinue downloading or installing the Software, keeping no copy, or within 14 days of purchase return the Software, its packaging and documentation unopened, unused and intact to your supplier together with proof of purchase for a full refund.

1. License

1.1 You are given a non-exclusive, non-transferable License to:

a. Load or install and use one copy of the Software on a single computer which is under your control, where the Software is a single use copy and you pay the license fee associated with a single use copy.

b. Load or install a copy of the Software on a storage device such as a network server, used only to install or run the Software on your other computers over an internal network, provided you acquire and dedicate a license (including payment of all associated license fees) for each separate storage device, computer or workstation on which the Software is installed or run, and each separate computer or workstation by which or through which the Software is accessed or utilized. A license for the Software may not be shared or used concurrently on different computers or workstations.

c. Make one copy of the Software for back-up purposes only in support of the permitted use. The copy must reproduce and include WECO's copyright notice.

1.2 If you purchased a WECO License pack, you may make one copy of the Software shown at the top of the License Agreement. Copies of the Software beyond the number shown at the top of the License Agreement require payment of additional license fees.

1.3 You are not permitted to rent, lease, sub-license, loan, transfer, copy, modify, adapt, merge, translate, reverse engineer, decompile, disassemble or create derivative works based on the whole or any part of the Software or its associated documentation.

1.4 The Software, which may consist of component parts, is licensed as a single product. Its component parts may not be separated for use on more than one computer.

1.5 Upgrades to the Software, or any component parts of the Software, are governed by the terms of this License Agreement. You must also have a valid license for the Software corresponding to the Upgrade, and that license is not expanded.

1.6 You are not permitted to make use of the Software for the purpose of reducing or avoiding the license fees that you, your employees, or third parties would otherwise be obligated to pay to WECO. Use of pooling or multiplexing software or hardware does not reduce or eliminate the need to acquire and dedicate a license equal to the number of distinct inputs to the multiplexing or pooling software or hardware "front end."

1.7 You may not copy the written documentation that accompanies the Software.

1.8 If this License Agreement is marked or labeled "Not for Resale" or "NFR," your license only permits use for demonstration, test, or evaluation purposes. Software licensed for demonstration, test or evaluation purposes may be restricted with respect to nature, scope and duration of use.

1.9 This license agreement shall be binding upon and inure to the benefit of the parties hereto and their successors and assigns. However, this license agreement may not be assigned or otherwise transferred by either party in whole or in part without the express prior written

consent of WECO. Any assignment of this license agreement without such prior consent shall be null and void.

2. Term

This Agreement is effective until you terminate it by destroying the Software and its documentation together with all copies. It will also terminate if you fail to abide by its terms. Upon termination you agree to destroy all copies of the Software and its documentation including any Software stored on any computer under your control.

3. Ownership

All title and copyrights in and to the Software are owned by WECO. You own only the medium on which the Software is recorded. This is a license Agreement only and NOT an agreement for sale. WECO licenses you to use the Software only as permitted by this Agreement and it retains all rights not expressly granted to you in this Agreement.

4. Use of Customer Name

WECO may use and publish your name in its customer lists, lists of referrals for other customers (or potential customers), and in other promotional information, including, but not limited to, press releases, brochures, reports, letters, white papers, and electronic media such as e-mail or Web pages. This provision shall survive expiration or termination of this agreement.

5. Export Restrictions

You acknowledge and agree that the Software is subject to restrictions and controls imposed by the Export Administration Act and the Export Administration Regulations ("the Acts"). You agree and certify that neither the Software nor any direct product thereof is being or will be used for any purpose prohibited by the Acts. You agree and certify that you are not a citizen or permanent resident of the following countries: Cuba, Iran, Iraq, North Korea, Libya, Sudan, or Syria.

6. Limited Warranties

6.1 WECO warrants that the medium on which the Software is supplied will be free from defects in materials and workmanship under normal use for a period of 90 days after the date of original purchase ("the Warranty Period"). If a defect in the medium shall occur during the Warranty Period it may be returned with proof of purchase to WECO who will replace it free of charge.

6.2 WECO warrants that during the Warranty Period, the Software will perform substantially in accordance with its accompanying documentation (provided that the Software is properly used on the computer and with the operating system for which it was designed) and that the documentation correctly describes the operation of the Software in all material respects. If WECO receives written notice during the Warranty Period that the Software and/or documentation does not in a material respect satisfy this Limited

Warranty, WECO's entire liability and your exclusive remedy shall be, at WECO's option, to either (a) repair or replace the Software and/or documentation that does not meet WECO's Limited Warranty and which is returned to WECO with proof of purchase; or (b) return the license fee paid, less depreciation based on a five (5) year useful life.

6.3 The above represent your sole remedies for any breach of WECO's limited warranties, which are given only to the original purchase of the Software.

6.4 WECO DOES NOT WARRANT THAT THE SOFTWARE WILL MEET YOUR REQUIREMENTS OR THAT ITS OPERATION WILL BE UNINTERRUPTED OR ERROR-FREE.

6.5 UNDER NO CIRCUMSTANCES WILL WECO'S LIABILITY FOR ANY BREACH OF WECO'S LIMITED WARRANTIES EXCEED THE AMOUNT YOU PAID FOR THE SOFTWARE.

6.6 TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, WECO DISCLAIMS ALL OTHER WARRANTIES, EITHER EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

6.7 TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, IN NO EVENT SHALL WECO BE LIABLE FOR ANY SPECIAL, INCIDENTAL, INDIRECT OR CONSEQUENTIAL DAMAGES WHATSOEVER, INCLUDING WITHOUT LIMITATION, DAMAGES FOR LOST PROFITS OR OTHER CONSEQUENTIAL LOSS ARISING FROM YOUR USE OR INABILITY TO USE THE SOFTWARE OR FROM ERRORS OR DEFICIENCIES IN THE SOFTWARE EVEN IF WECO HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. BECAUSE SOME STATES/JURISDICTIONS DO NOT ALLOW THE EXCLUSION OR LIMITATION OF LIABILITY FOR CONSEQUENTIAL OR INCIDENTAL DAMAGES, THE ABOVE LIMITATION MAY NOT APPLY TO YOU.

7. Database Restrictions

This software is licensed for use with one database to be installed locally, residing on the same workstation which houses WATT-Net Basic™. Permissions to the database are strictly limited to the software and one other Radian WECO field device. Accessing the database using any other program or utility outside of this is considered in direct violation of this agreement and may be pursued to the full extent allowable by law.

8. Law

If you acquired the Software in the United States, the laws of the State of Mississippi govern this License Agreement. If you acquired the Software outside the United States, local law may apply, except that you agree that the courts of the State of Mississippi have exclusive jurisdiction over any action arising out of or relating to this License Agreement.
