*Two year warranty requires product registration. Register your product online at www.radianresearch.com/reg.

Whether you are an existing customer, or receiving a new Radian product you can benefit from a care plan. Radian Care Plans provide the ultimate in service.

With the registration of any Radian product you automatically become a member in our Blue Care Plan. The plan covers the new Radian product under a limited two year warranty and provides access to on-site training and our periodic training seminars. At any time, you may upgrade your membership to either our Silver, Gold, or Platinum Plans. These plans provide additional coverage and protection, discounts on training, comprehensive recalibration and recertification packages.
