

# Universal Standards Compare Adapter

## Overview

The Radian Research Universal Standards Compare Adapter is a first-of-its-kind standards compare adaptor that gives the end user ultimate flexibility when performing standards comparison in a variety of scenarios.

The socket-based adapter easily interfaces with RADIAN reference standards, both single-phase and poly-phase. It is a great complement to any meter technician or metrology lab's toolbox.

**AL0077** – Universal Standards Compare Adapter Base

**AL0078** – Universal Standards Compare Adapter Current Cables, 200A RX, 36", SurLok right to RX right

**AL0079** – Universal Standards Compare Adapter Voltage Cables, 36", 2mm right to 4mm stacking, 4mm to 4mm stackable banana neutral jumpers

**AL0080** - Universal Standards Compare Adapter Kit, 200A RX, 36"  
Includes: AL0077, AL0078, and AL0079  
Includes Bag (355057)

**AL0081** - Universal Standards Compare Adapter Current Cables, 200A RX 16"

**AL0082** - Universal Standards Compare Adapter Voltage Cables 16", 2mm right to 4mm stackable banana, 4mm to 4mm stackable banana neutral jumpers

**AL0083** - Universal Standards Compare Adapter Kit, 200A RX 16" Includes: AL0077, AL0081, and AL0082  
Includes Bag (355057)

**AL0087** - Universal Standards Compare Adapter Current Cables Mirrored, 48", SurLok right to SurLok right

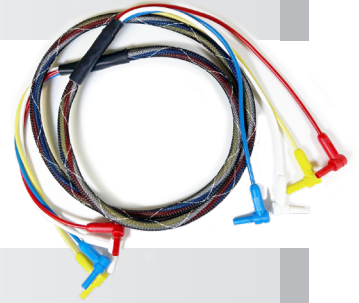

**AL0088** - Universal Standards Compare Adapter Voltage Cables, 48", 2mm right to 4mm stackable banana, 4mm to 4mm stackable banana neutral jumpers

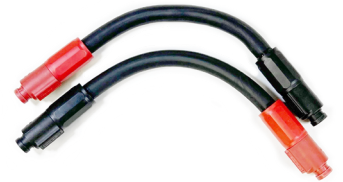

**AL0089** - Universal Standards Compare Adapter Current Cables, 200A 48", SurLok right to triplexed 6mm pins (3) 6mm straight, 1-P, 48", standard color, Y-Cables

**AL0090** - Universal Standards Compare Adapter Voltage Cables Mirrored, 48", 2mm right to 2mm right

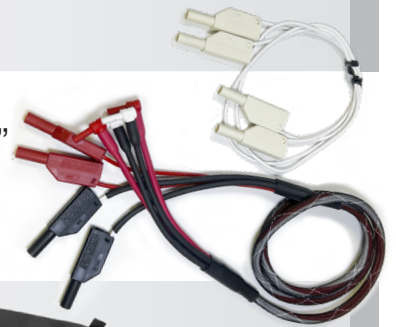

**AL0093** - Universal Standards Compare Adapter Current Cables, 48", SurLok right to 6mm pin

**AL0094** - Universal Standards Compare Adapter Current Cable, 9", SurLok straight to SurLok straight

**AL0095** - Universal Standards Compare Adapter Current Cable, 36", 6mm pin to 6mm pin

**AL0096** - Universal Standards Compare Adapter Voltage Cables, 44" 2 mm right to 4mm stackable banana, and 4mm to 4mm stackable banana neutral jumpers

**AL0097** - Universal Standards Compare Adapter Kit. Includes Bag (355057), AL0077, AL0089, AL0094, AL0095, AL0096, and AL0098

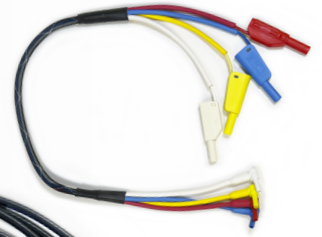

**AL0098** - Universal Standards Compare Adapter Current Cables, 48', SurLok right to 6mm pin

**AL00104** - Universal Standards Compare Adapter Current Cables, 200A RX 48", SurLok right to RX right

**AL00112** – Universal Standards Compare Adapter Voltage Cables, 48”,  
2mm right to 4mm stackable banana

**AL00115** – Universal Standards Compare Adapter Current Cables, 200A 24”, SurLok right to 6mm pins (3)

**AL00116** – Universal Standards Compare Adapter, 200A 24”,  
SurLok right to RX right

**AL00117** - Universal Standards Compare Adapter Voltage  
Cables, 48”, 2mm right to unterminated

**AL00118** - Universal Standards Compare Adapter Current Cables,  
48”, Surlok right to unterminated

**AL00122** - Universal Standards Compare Adapter  
Current Cables, 24”, SurLok right to 6mm pins

**AL00123** - Universal Standards Compare Adapter, 24”, 2mm  
right to 4mm stacking

**AL0130** - Universal Standards Compare Adapter Current Cable, 12”,  
SurLok straight to SurLok straight
